

CONTRACT LAF-2026-001

17 SEPTEMBER 2026

Welcome to the lessee register.

Dear Mr Olijve,

Your application has been reviewed, approved and entered into the register. You join a body of lessees that has remained comfortably small since 1986.

ASSETS COVERED BY THIS CONTRACT

CODE	UNIT	COLOURWAY	SPECIFICATION	DISPOSITION
LAF-U-001	Fjord	Olive	130 × 160 cm · 260 gsm	Perpetual lease
LAF-U-002	Aurora	Ivory	130 × 160 cm · 260 gsm	Perpetual lease
LAF-A-001	KORG	White	Fleece Containment Unit	Sold outright

A word on the third item. KORG is not leased. It is the only article we have ever sold, and it is yours without condition. We do not expect to source another.

TERMS

Both units are held on **perpetual lease**. There is no monthly charge, no end date and no scheduled inspection. Quarterly laundering remains the responsibility of the lessee, and we have elected not to enforce it.

The Five-Kilometre Concession has been applied in full. Our records confirm the distance was completed. They do not record the time, and we did not ask.

CARE

Machine wash at 40 °C; the label carries the rest. The temperature is not a coincidence, but we will say no more about it.

IN CLOSING

Forty years is a long time for a firm to operate with a fleet of two. We have found the trick is to choose the right lessee and then stop looking. Congratulations on your fortieth year; may the residual thermal value remain undiminished.

A lease granted in perpetuity cannot be issued on one signature. Article 12 of our founding documents requires the hand of every serving director, and the board has been the same four people since 1986. Nobody has proposed amending it.
